Bilton Grange's approach – Inclusive, Aspirational, Considered

My Message to you:

"Bilton Grange makes learning the adventure it should be allowing confidence to grow, values to form and skills to develop naturally."

Bilton Grange, part of the Rugby School Group, is a co-educational boarding and day preparatory school in the Midlands for children aged from three to 13 years.

With an ethos of the First Step in the Adventure of Life, the school is set in what we call our 90-acre classroom, a safe and wonderful environment of woodland and open space in which to learn and grow.

Bilton Grange is a place where children want to be, where our boarders live and thrive in our family-style community with time and space to be themselves, to develop morally and intellectually, and to establish their individual character. Inclusivity and culture is important to us; we live and grow together.

We make learning the adventure it should be and our unique approach enables children to find many things they are good at both in and outside the classroom. As their confidence grows, success naturally follows and our pupils are well prepared to take the next step of their journey on to their chosen senior schools.

In 2023, 40% of our leaving cohort received senior schools scholarship offers across the board spanning academic, music, sport, computing and DT. 59% achieved places at Rugby School.
