Handcross Park's approach – Kind, Energetic, Supportive

Handcross Park is also in the very fortunate position of being one of the Brighton College Prep Schools. For those of you that are not familiar with this school, Brighton College has just been awarded the accolade of The Best School in the UK! You may ask, what does that mean for your children? It means, that you are safe in the knowledge that your children are part of an incredibly successful, innovative and academically strong group of schools. We are also very proud to be a Google Reference School and our innovative use of technology has not only caught the eye of educators around the world but educational panels too! We have just been named Innovation School of the Year by the Week magazine.

Handcross Park is one of the top co-educational, day and boarding Prep Schools in the UK, for children aged 2 - 13. We were named PREP SCHOOL OF THE YEAR at the prestigious Independent Schools of the Year Awards 2019 and praised for our all-round offering and focus on the child. We have also recently been named 'BEST PREP SCHOOL FOR INNOVATION' by The Week Independent Schools Guide for our ambitious and forward-thinking approach to education.

We are part of the Brighton College Family of Schools and about 30% of our Year 8 pupils move on to Brighton College each year. Year 8 pupils also secure scholarships and places to a wide variety of leading independent senior schools, both locally and throughout the country.

At Handcross Park, we want children to enjoy childhood for as long as possible, but we also want them to develop and progress within a stimulating environment that offers many opportunities both inside and outside the classroom. We are a school that has been described as purposeful, ambitious, forward-thinking and, most importantly, kind. Our motto is Be Trewe, and we believe that if children are happy then they flourish, reach their full potential and carry a love of learning with them for the rest of their lives.
